

THE DARK SIDE

1. Watch the Dark Side Video again.

2. Write a prediction for:

What Percentage will the light reduction will be?

** add your prediction to the bulletin board on the website.

3. Use this space to write down any known information:

4. How much light will there be left after 2 pairs of sunglasses. What is the light reduction percentage?

5. Find out how much the light reduction will be after 5 pairs.

6. Watch the act-3 video to check your answer.

7. Sequel: How many pairs will it take for their to be lower than 99% light reduction?
